

## GENERAL CHARACTERISTICS

Indispensable for a functional kitchen, the preparation range offers a wide choice of models for preparation

The tables on legs, cabinets, with drawers, sinks, wall units and dish cupboards are all made of stainless steel.

The care in the workmanship guarantees an excellent combination of elements and easy cleaning.

## TECHNICAL SPECIFICATIONS

AISI Stainless Steel Table, sturdy and hygienic, ideal for commercial or industrial environments. Functional design with durable and long-lasting materials.

Frame made of sturdy, brushed 18/10 AISI 304 stainless steel with a 40x40 mm tubular section, features 20 mm recessed dimensions on all four sides of the worktop. This design gives not only a solid structure, but also a refined aesthetic that is functional in the context of use, ensuring durability and hygiene.

The 40mm-thick AISI 304 SB stainless steel worktop offers strength and durability. The 100x15 mm splashback adds style and functionality, complementing the practical and elegant appearance.

Scotch-Brite stainless steel execution.

Worktop with hand-safe folds.

Reinforced water-repellent and sound-absorbing undersurface.

Square tube legs 40x40 mm, adjustable feet.

Can be equipped with shelf, 3-sided frame, drawers and castors.
